OBJECTIVE

I am seeking an entry-level position to gain work experience using my Computer-Aided Design and Graphic Design skills. I want to become a valuable team member in a progressive company where I can learn more industry-specific product design, packaging, and promotion methods.

EDUCATION

MiraCosta College, Oceanside, CA
Associates in Arts | Computer Aided Drafting and Design - August 2020
Associates in Arts | Graphic Design - May 2022
Graduated Summa Cum Laude

Certificates of Proficiency
- Drafting Fundamentals - May 2018
- Applied Design - May 2018
- 3D Modeling and Prototyping - May 2018
- Engineering Design Graphics - May 2019
- Digital Media Foundations - May 2022
- Digital and Print Publishing - May 2022
- Web Design - May 2022

EMPLOYMENT

Teaching Assistant, MiraCosta College, Oceanside, CA | August 2020 - October 2022
- Coached students with their CAD and Media Arts projects
- Discussed assignments, answered questions, and provided tips
- Offered troubleshooting advice for various computer design programs
